

1 Context

- 1.1 This Policy applies to employees of CANDI under a contract of employment.
- 1.2 Capability refers to an employee's ability to perform the work expected of them to the standard required. This may be assessed by reference to an employee's skill, aptitude, health or any other physical or mental quality in relation to the job that he or she is employed to do.
- 1.3 The purpose of the Capability Policy is to provide a framework for managing underperformance in a fair and consistent manner. The Policy differs from the Disciplinary, Sickness Absence and other policies as its primary focus is that of improving performance to the standard required. The Policy establishes guidelines for managers and staff when an employee's work performance falls below the standard appropriate for the role due to underperformance.
- 1.4 CANDI has a responsibility for setting realistic standards of performance, for explaining these standards carefully to employees and for supporting employees to achieve the standards set. The Capability Policy will not be invoked during any probationary period.
- 1.5 All members of staff are required to perform their duties to an acceptable standard. Whilst the majority of staff meet or exceed the standards required of them, performance problems may arise. All managers should be aware of the terms of the Capability Policy and ensure that their line reports understand its nature and scope. It is a manager's responsibility to identify underperformance and to seek to address this at the earliest opportunity.
- 1.6 It is recognised that capability problems may result from underlying work problems or personal issues that may be outside the employee's direct control. Consequently there is a need to treat all capability issues with care and sensitivity and to identify and (where appropriate) address the underlying causes.

2 Statement of Policy

- 2.1 The mission of CANDI is to respond to the needs of the Forest of Dean community to enable individuals to contribute positively to the whole community. In support of this aim, CANDI is committed to ensuring that all employees are given the opportunity and support to deliver and maintain a high level of performance at work.
- 2.2 All employees should be made fully aware of the performance standards they are expected to deliver and should have regular meetings with their managers to discuss their work and performance.
- 2.3 It is the responsibility of managers to ensure that any performance issues are addressed at an early stage and where possible resolved on an informal basis without recourse to the formal procedure.
- 2.4 Where any instances of underperformance are identified, the Capability Policy provides a framework for managing cases in a constructive, fair and consistent manner.
- 2.5 The focus of the Capability Policy and procedure is to resolve performance problems by providing appropriate support to enable the employee to perform to the standard required.

3 Procedure

3.1 General Principles

The following principles will apply to the application of this procedure: -

- 3.1.1 This Policy is not contractual and may be amended through normal CANDI procedures. The Policy is not intended to remove any existing protections or entitlements afforded to employees under their contracts of employment and in implementing this policy, due regard will be given to relevant legislation and the ACAS Code of Practice.
- 3.1.2 All employees who are the subject of this procedure have the right to be accompanied to formal meetings held under this procedure by a trade union representative or work colleague.
- 3.1.3 Managers should be supportive of employees, help them to take action to improve their performance and consider any mitigating circumstances that may be affecting their performance.
- 3.1.4 Employees are responsible for co-operating with their manager in improving their performance and attending meetings under this procedure.

Capability Policy

- 3.1.5 This Policy seeks to ensure that performance matters are dealt with sensitively and with due respect for the privacy of any individuals involved. All those involved must treat as confidential any information shared with them under this procedure.
- 3.1.6 Electronic recordings of formal or informal meetings under the Capability procedure are not permitted.
- 3.1.7 Employees will not normally be dismissed for performance reasons without previous improvement notices. However, where an employee's performance falls significantly below the acceptable standard and the actual or potential consequences are, or could be, extremely serious, moving straight to the formal stage 3 meeting may exceptionally be appropriate.
- 3.1.8 Every effort will be made to comply with the timescales stated in this Policy. If, however, due to the complexity and/or specific circumstances of a case, timescales need to be extended, the employee will be advised of the reasons for any delay
- 3.2 Conducting Informal Discussions
- 3.2.1 In the first instance managers should seek to resolve performance issues informally and as early as possible as part of normal day to day management. Ideally this would be within a few days of the issues being identified
- 3.2.2 Informal discussions should:
- explain the nature of the concerns (providing specific examples as appropriate)
 - set out the expected standards of performance
 - establish the likely causes of underperformance and identify any actions required by the employee or manager to aid improvement e.g., training or other sources of support
 - set targets and timescales for improvement and review dates (see Performance Improvement Plan). Where possible these will be agreed between the employee and the manager
 - explain the potential consequences of not achieving the required improvements in performance
- 3.2.3 The manager may consider a range of actions including the provision of advice and guidance, training, coaching, mentoring, work shadowing or other informal action e.g., counselling.
- 3.2.4 The manager may confirm the outcomes of any informal discussion in writing to the employee and retain any notes of these informal discussions or meetings for reference purposes. However, such notes will only be used for the purposes of reviewing the standards and expectations set during the informal stage of the procedure.
- 3.2.5 Where there is satisfactory improvement, the matter will be considered to be resolved.
- 3.3 Conducting Formal Meetings
- 3.3.1 If performance does not meet acceptable standards, and informal action is not considered appropriate or has not succeeded in addressing the problem, the manager should consider whether there are grounds for undertaking formal action under this procedure.
- 3.3.2 Where there are grounds for taking formal action regarding alleged underperformance, the employee will be required to attend a capability meeting. A formal capability meeting will fall under one of the formal meeting stages one to three.
- 3.3.3 The employee should receive at least five working days written notice of a capability meeting. The letter inviting the employee to the meeting will outline the purpose of the meeting, the performance issues to be considered and the possible outcome if it is decided that the employee's performance has been unsatisfactory. Where there is additional relevant information provided to the employee this will be sent with the letter. The letter will also inform the employee of the date, time and place of the meeting and of the employee's right to be accompanied. The companion may be either a trade union representative or a colleague.
- 3.3.4 At least three working days prior to a formal capability meeting the employee must inform the manager conducting the meeting of the names of any nominated witnesses they wish to call, any

Capability Policy

written submissions they wish to have considered, any documentary evidence they intend to rely on at the meeting and, where requested, an explanation of the relevance of both their own and any witness evidence.

3.3.5 The meeting will be held by the employee's manager or a more senior manager and may be attended by a representative from the Personnel Working Group (PWG). In the case of a Stage 3 it will be conducted by the Chair of the PWG (or nominated deputy).

3.3.6 The aims of a capability meeting will include:

- setting out the required standards that it is considered the employee has failed to meet and considering any relevant evidence
- giving the employee the opportunity to ask questions, present evidence, call witnesses, respond to evidence and make representations
- establishing the likely causes of underperformance including any reasons why measures taken so far have not led to the required improvement
- identifying whether there are any further measures, such as additional training or supervision, which may improve performance
- discussing and agreeing where possible targets for improvement and a timescale for review (see Performance Improvement Plan). Ensuring a reasonable period is provided for the individual to demonstrate improved performance.
- if dismissal is a possibility (stage 3 only), establishing whether there is any likelihood of a significant improvement being made within a reasonable timeframe and whether there is any practical alternative to dismissal.

3.3.7 A meeting may be adjourned if it is necessary to gather further information or to give further consideration to matters discussed at the meeting.

3.3.8 The employee will be informed in writing of the outcome of a formal capability meeting and the reasons for it within five working days.

3.4 Formal Meeting Stages

3.4.1 If as a result of a meeting and the evidence presented, the employee's performance is now considered to be satisfactory and no further action is necessary, this will be confirmed in writing

3.4.2 If as a result of a first or second meeting the employee's performance is considered unsatisfactory, the manager will write to the employee, issuing a Performance Improvement Plan (PIP).

3.4.3 The manager will monitor the employee's performance during the review period and hold regular review meetings with the employee. On completion of the review period, the manager will write to the employee to inform them of the outcome that either:

- the employee has met the performance standards set and no further action will be taken; or
- the employee has not met the performance standards set and the matter will be progressed to the next stage; or
- progress has been made towards meeting the standards set, but they have not been achieved fully (or other factors have been present e.g., sickness or leave) and the review period will be extended, or other options considered.

3.5 Formal stage one Meeting – a first PIP is issued

3.6 Formal stage two meeting - if standards set out in the PIP have not been met, a second meeting will be held and a final PIP issued

Capability Policy

3.7 Formal stage three meeting

3.7.1 If the employee's performance has failed to improve sufficiently as detailed in the Final Improvement Notice whilst that Notice is still live, or if the underperformance has been so serious as to warrant moving straight to a formal stage 3 meeting, the employee will be invited to a formal stage three meeting

3.7.2 The formal stage three meeting will be conducted by the Chair of the PWG or nominated deputy. The employee's manager will also attend the meeting to present the details of the underperformance and any steps taken to address these.

3.7.3 Following the meeting, if it is decided that the employee's performance is unsatisfactory, the Chair of the PWG or nominated deputy, may consider one or more of the following options, (this list is not exhaustive):

- to extend a Final Improvement Notice and set a further review period (where a substantial improvement is likely within the review period)
- to consider alternatives to dismissal such as redeployment to a suitable available post within CANDI or other appropriate action short of dismissal
- to dismiss on grounds of capability.

3.7.4 The decision will be confirmed in writing within five working days of the meeting. The letter shall also notify the employee of their right to appeal against any sanction. If the decision is taken to dismiss the employee, the letter will include the reasons for dismissal, the date that their employment will terminate and the right of appeal.

3.8 Concerns and Appeals

3.8.1 Employees who feel that they have been treated unreasonably under any section of the Capability procedure can, in the first instance, raise the matter with their manager, Chair of PWG or Trade Union. Ultimately employees have the right to raise the matter through the grievance procedure

3.8.2 Employees have a right to appeal against a decision to issue a PIP, other sanction or dismissal in accordance with the relevant procedures.
